

## Services for parents, families and friends

### **Family Drug Support**

**[www.fds.org.au](http://www.fds.org.au)**

Family Drug Support is an organisation for those who need help with someone they love. It's made up of volunteers who've experienced the trauma of having family members with drug problems first-hand.

### **Ted Noffs Foundation**

**[www.noffs.org.au](http://www.noffs.org.au)**

Providing essential services for young people and their families who are experiencing drug and alcohol problems and related trauma.
